Dear Sir/Madam:

Prior to the General Motors Bankruptcy in 2008 I purchased 430 shares of General Motors Senior Notes, 370ESC816 and 500 shares of General Motors Senior Notes 370ESC121, which are presently held in my Schwab Brokerage Account pending possible future distributions. My brokerage account shows I am presently carrying a ~~\$16,113.51~~ loss on these securities.

*\$15,915.39*

I am writing to you to inquire as to what plans General Motors has to pay off this debt or issue me stock of equal value.

It has been ten (10) years since I incurred this loss, General Motors is doing well and it is time for them to repay their debts.

I will appreciate hearing from you regarding this matter at your earliest convenience.

Sincerely,

*Montyna Kelly*
